JANUARY 2020

Welcome to our 2nd School Year!

A note from our Administrator...

Greetings to all HCA families, friends, and supporters,

It is a very frosty day, as I compose this, the coldest temperature I've seen in a long time. But it is warm inside and in our hearts as we recognize all that God has done with and for us.

About ten days ago our newer teacher, Joy Minnier, fell, and in trying to protect herself, broke both of her wrists. After enduring several days with splints to protect them she was seen by an orthopedic surgeon. Several days later her wrists were surgically repaired and enclosed. She is now at home recovering, with some movement in her fingers. Please join us in praying for her complete healing.

In the meantime we have been adapting at school, just as Joy and her husband have been adapting. Mrs. Dean had considerable help from one of our regular volunteers the first day, then I filled in for a few days, while reaching out to folks we knew to be comfortable in a classroom, looking for someone to fill that position for whatever time is needed. Through a series of GOD-DIRECTED contacts, Billie Jo Myers, who taught lower grade students at FCCCS in Needmore for several years, called to offer herself to help solve our dilemma! There was much thankfulness and praise being shared that evening!!! She started last Friday (January 17) and has filled that niche very well. We are very grateful!

So it is with a full heart and glory to our gracious God that I continue to ask for your prayers.....for Joy's healing, for Billie Jo as she substitutes, and for all of us as we strive to do God's will in this school and in this community.

May God continue to bless you as you serve Him.
Gratefully, Louise Hine

A note from the Secretary...

After a rough finish to the 2018-19 School Year, the prospect of having another school year brought a variety of emotions ranging from uncertainty to many tear soaked prayers.

BUT...

The core group refused to give up without a acknowledgement from the Lord. So, we regrouped, prayed up and determined to proceed until God told us otherwise.

AND then this happened...

We gave over to blind trust that the Lord will provided. AND He did!

This journey, this mission, this adventure has taught me so much, has brought me closer to the Lord, has taught me about real life faith, has given me the best group of friends to work with and has touched my life in so many ways, that it humbles me to know that although God is using me, using us all for His purpose, it has been one of the truest and profound blessings in my life to be serving the Lord at HCA. I am honored and humbled that He chose to use me for however long He chooses to benefit our community, our precious children, our families and for His will for Hope Christian Academy.

After all that God has provided, I sure am glad that we didn't give up. I look forward to seeing what he has planned for the future of Hope Christian Academy.

With Hope,
Joyce Winfield

Sponsorship Program

The Sponsorship Programs of HCA allow interested persons to contribute toward the tuition of a specific student or supplement the income of one of our dedicated teachers (who take little or no salary in an effort to see the success of HCA). This may be done as a gift designated for the student or teacher. You may choose to receive regular reports on the student's progress and achievements at HCA.

In Honor Of & In Memory Of

Another program is the In Honor Of & In Memory of Program in which you may contribute to the school in honor of or in memory of a loved one. Although flowers are beautiful, this is a lasting gift which benefits the children.

Church Missions Program

The Church Missions Program allows your church to give to the school on a regular basis any amount that it deems appropriate. Your church would receive weekly email to keep you abreast of the school's activities and achievements.

Individual Missions Program

The individual Mission Program allows you, as an individual, to make regular contributions to the school and to receive weekly email to keep you abreast of the school's activities and achievements.

If you would like to participate or would like additional information about HCA or any of these programs, please Contact us:
